SANTANA GOES

In the bicentennial year a real Spirit of '76 was evident at Santana. Beginning with the September BBQ, and an outstanding Carnival, the Sultans had never seemed to be so involved in their school.

As Santana's eleventh year unfolded, participation was "in" again, and Spirit had taken on a new meaning.

The Scimitar pages that follow are a pictorial record of Santana's Spirit '76!

HOOTENANNY HOME COMING CALLED FORTH THE "SPIRITS" OF '76!

The women's basketball team of the Rock Raiders came over to us on Saturday, November 10th at 2 p.m. with former Secretary General Mrs. Linda Eberle in attendance. Linda Eberle was our winner of last year's winner Match Blast. She came several weeks earlier to our gymnasium for our first basketball game. These girls were described as the most graceful October 2nd. Spotlights softly music noisy. It's very girlie and a packed gym made the assembly one of the greatest Sandana has ever known. The three winners were Terry Litterer, Valerie Hagan, Chris Kegar, Diana Sanchez and Diane Soto. The awards in excess were \$100.00 each. Our A.S.B. students from La Jolla High School, coming week Oct. 21st, visit San Marcos High girls in their gymnasium. They were given a tour of the school and a game against the host which resulted in a tie between Jim McLean and Bruce McLean. Jim McLean, Captain of the home team, was the man in every assembly. After the introductions were introduced by A.S.B. President, both teams were cheered as though it had been a football game. At the beginning of the game, Mr. Goss, Captain of the Rock Raiders, was introduced. He expectedly faced all who inserted Mr. Bravado—everytime a cheer. However, right out of the game, he was down on the school. His Captain, I. C. Goss, the forward in the 1st quarter, and here that outfit went home. Then the game began. The ball played which can only be described as floating as it was carried up the passes and down the screens. Parachutes Bob Feltner and Roger Wermuth, from the class of 1938, were the coaches for the game. Miss Terry Litterer, after running races and trials all were rushed off the floor and the one half started. The Vagueros and Rock Raiders gave them their best. The game was won 6-6. Afterward a dance was held at the gym and the Rock Raiders played a game of football. Half way to the rat race. Even though the Rock Raiders lost the game the evening was a resounding success. It surpassed all past performances. Therefore this was the Hall of Fame game to be remembered.

Santana's Sultan Band practiced self discipline and concentration under the direction of Mr. Ken Wharton. The enthusiastic band practiced long hours resulting in fine performances.

For his second year in a row, Scott Campbell has held the prestigious position as Drum Major. At the Poway competition he won second place in Drum Major Mase division.

The Drill Team was advised by Margaret Meyers and her two year experience greatly benefited the group.

Drill Team Captain, Laura Arriaga, did a superb job leading the Sultanas. Her corps received the highest score in their class at the Annual Autumn Band Review.

Banner Corps Captain this year was Liz Gomez. Their uniforms were known to be one of the best in the District.

Marching Band Mascot was an energetic young lady of only nine years old, Susan Shivak.

- 6. Beautiful Sultanas (Linda & Jon Norton) sharing secrets
- 7. It's amazing how much Northeast can accomplish in the dark

Strings Inspire Beauty

The Orchestra is a small but fast growing group. We all felt that even though we do not have as many members as we'd like, we still enjoy playing our instruments and working together.

The Orchestra participates in several concerts throughout the school year. Two of these being the District String festivals. One of these festivals takes place in the fall, one in the spring. We also take part in the annual Santana Spring Concert, held here at school each May.

Other than just school, Orchestra members are our pizza parties and get-togethers. These give us a chance to take time off from working and we have a lot of fun.

A Thought

A Dream

A Reality

Our Student

My name is Sven Kohlrausch. I am 17 years old and I live in West Germany. I am a student at the Gymnasium in Wiesbaden. I have two brothers, a 14-year-old and a 12-year-old. I like to play soccer, basketball, tennis, and football. I also like to go swimming and I am a member of the school's swim team. I am interested in politics and I like to read books about history and politics. I also like to play video games and I am a member of the school's video game club.

Many thanks you for my American family.

Now I will know what life is like in America.

Sven Kohlrausch

If we meet again,
Samuel jumps back.

Sz Kohlrausch
is a long-standing member.

Something that I had never heard tell in my life, but

Our Spirit is SKY HIGH

Varsity cheer soared high with spirit this year. There were six song leaders and six cheerleaders who took part in the Summer Cheer Camp in Santa Barbara, California. Cheer promoted spirit at all activities, sports, and parades, and did a SUPER job. Alternates were, for cheer, Sue Irion, for song, Becky Lafferty.

ON WATER OR LAND UNITED WE STAND

I Club is a group of very special people who take time to help make the world a better place to live in. They helped raise money to bring foreign students to our school with money making projects such as; An arts and crafts fair at Parkway Plaza, an annual AFS jar drive, and an International fair in the spring. Mrs. Rooney and Mrs. Spaulding were the advisors and extremely helpful in all I Club activities. I Club was a tremendous turn out with over fifty members this year.

Campus Life is People Having Fun

Campus Life is an organization headed by Kathe Nicolett and Rich Hanson. The meetings are held on Thursday nights at 7:17 and people come just to be with friends and have fun. On alternating Thursdays a deeper "Insight" is held where people get together and discuss the Bible.

The activities included a Burger Bash at Pat and John Vega's house, Fat Alberts, Living Inn, a trip to Mexico, and of course the Haunted House (which was held in Balboa Park.)

1. Val Huffman and John Vega seem to be having fun
2. Kim Kitchen keeps everyone in suspense while she opens her present
3. Rich Hanson keeps the group organized
4. Kathe Nicolett and Rich Hanson get everyone's attention.

POWder Puff Action

One thing that never changes at Santana is the enthusiasm for Powderpuff Football. In 1976 the POW in Powder Puff was as dynamic as ever.

The annual Powder puff game was won by the girls by a score of 8-2. The winning 8 pts were scored with a touchdown by Terry Fletcher.

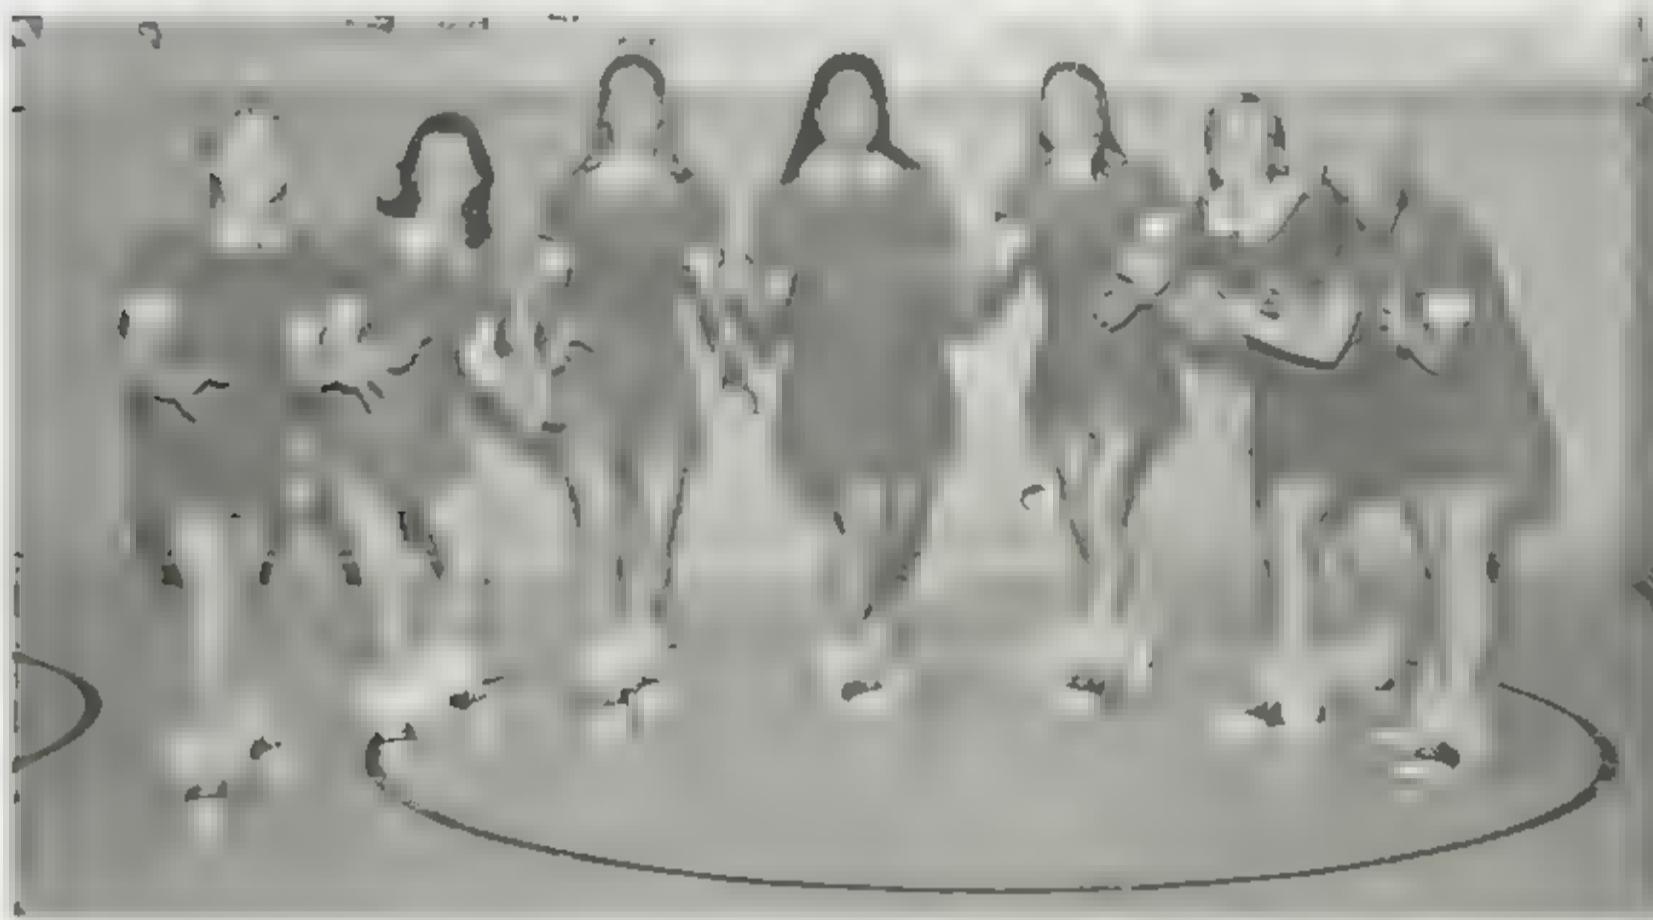

The Junior points were scored by a touchback on Senior Pam Dohart to prevent the Juniors from making a possible touchdown.

Mat Maids and Track Maids

The Mat Maids give a little glamour to all home and away wrestling matches. They assist the teams by helping to roll out the mats, present awards, and serve fruit to keep up the guys' steam. The Mat Maids also help "pin" up the wrestling season.

Mat Maids are left to right: Robin Campbell, Captain; Carol Hitchen, Kim Kitchen, President; Anna Maria Hernandez; Debbie Simpson; Carolyn Kennedy; Elaine Lamp. Not shown: LaDonna Burroughs.

Track Maids attend all cross-country and track meets and travel with the teams and help out by setting up hurdles, keeping and charting time, giving scores, presenting awards, furnishing refreshments for the athletes and generally keep things "running" smoothly.

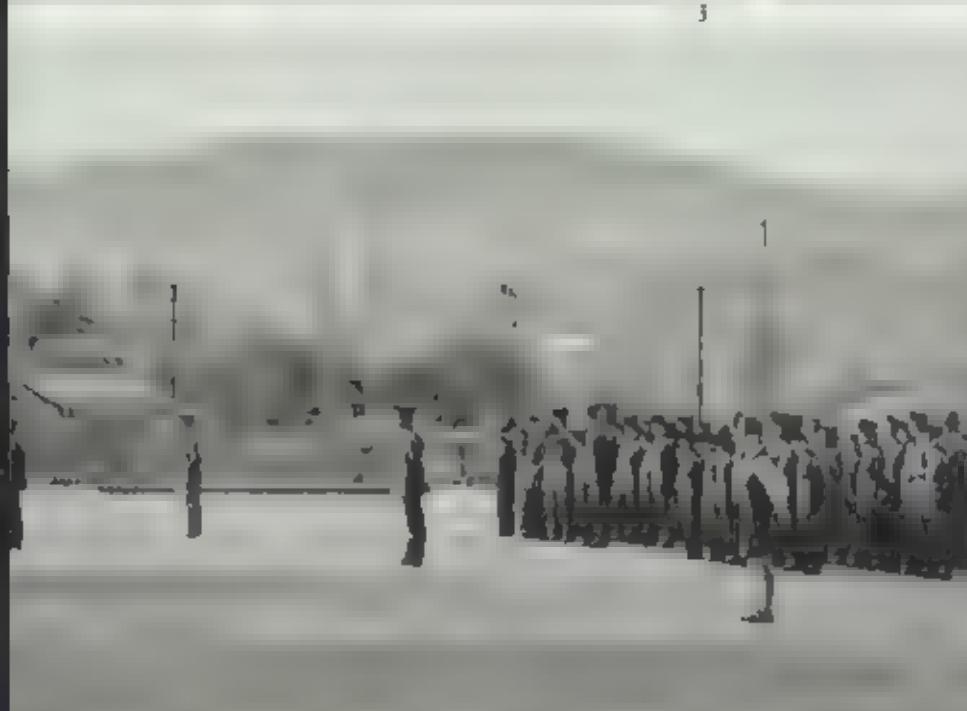

L to R: Sue Gibson, Sharon McBrayer, Becky Serrano, Mandy Buchanan, Bonnie Repass, Jackie Lorkowski, President; Robin Bishop, Treasurer; Nancy McGrane, Betsy Wismer, Secretary; Julie Beach, Peggy Gabriele, Lori Peck, Terry Ruble, Diane Fitzgerald. Not shown: Debbie Labova.

ROTC Comeback at Santana

A black and white photograph capturing a somber scene. In the center, a large, dark, rectangular object, which appears to be a casket or a large book, rests on a low, dark surface. A group of approximately ten people, mostly men in dark suits and ties, are gathered around this central figure. Some individuals are standing directly behind the object, while others are positioned slightly to the sides or in front. The lighting is very dramatic, with strong highlights and deep shadows, creating a somber and庄重的 atmosphere. The background is dark and indistinct, further emphasizing the central group and the dark object.

"CANDLELIGHT CHRISTMAS"

This year the annual Christmas dance was held at the Balboa Park Club in Balboa Park on December 19th. 'Candlelight Christmas' was sponsored by the Senior Class and chapter officers included advisors Dave Hunter and Richard Beach. Dress was semi-formal and tickets were \$6.50 per couple, \$4.00 stag. Couples danced from 8 o'clock to midnight to the dynamic sounds of Prism. To add to the excitement, class princesses and queen were announced. A crowd of over 220 couples helped to make the dance a huge success.

CSF CLIMBS THE LADDER TO SUCCESS

California Scholastic Federation, or more commonly known as CSF is the start for a secure, successful life in college. Your grades are the foundation. You must have a B+ average in your academic courses. A CSF student is rewarded for his achievements when he or she graduates. If they were a member for six semesters, they receive a gold seal on their diplomas and transcripts. Colleges look twice when they see a gold seal bearer. Mrs. Arts Treat, Advisor for CSF, knows the strain on college bound students. She tries to plan monthly activities that include The students from the San Joaquin Beebe Park San Diego Zoo and the beach.

Girls' and Boys' State

An Experience to Reflect On

Girls and Boys state for this year was Marilee Chalberg and Martin Hargrave. Two students are chosen by the faculty every year to represent Santana in Sacramento in a simulated state government. They spend nine days, in separate locations learning how state government is run. The students, who came from all over California, set up their own state with cities, counties, and all the elected officials to go with each. Speakers from the state senate came to talk with the students, as well as others dealing with the political scene. At the end of the session they receive a life membership in Girls and Boys state.

Photogs Do Their Thing in the Dark

ADVENTURES IN DRAMA

Front row, left to right: Joanne Kraft, Debbie Dunmore, Darrel Walters, Sherri Levell, Pam Lindsey, Robin Partridge, Lee Causaus. Seated: Elaine Murphy, Leonard Waje. Back row: Carlos Olmedo, Steve DuBois, Paul McGuire, Robin Sauer, Keely Alcalay, Gary Olson, Jeff Forrest, Regina Karoliksyn, Lisa Nye, Gary Taylor.

Drama is truly an adventure. This was proven by their first play of the year which was "The Adventures of Don Quixote." The advanced drama students, led by the direction of their advisor, Miss Norma Basgall, deserved many curtain calls for their fine performance. The audience only sees the finished production on stage. There are countless hours of work put into the props, costumes, rehearsals, and more rehearsals. Again this year, the drama class was fortunate to have the use of a video tape machine. This enabled them to be their own audience. Drama had some time-outs away from their work. They sponsored a school dance which was very successful, and had a candy sale on campus. At the time of publication, Drama was planning their next play which is, "The Sunshine Boys." It was being planned for Spring.

Opposite page, lower right: Elaine Murphy, Leonard Wayne, Lisa Nee, Thelma Gandy
1 Gary Olson, Robin Sader, Keely Alcalay
2 Norma Basgall
3 Gary Olson, Cary Taylor, Lee Causau
4 Jeff Forrest

Five year drama advisor at Santana, Miss Norma Basgall is dedicated to putting on top notch plays. Miss Basgall seems to favor Neil Simon plays. Without a doubt, they are the best. Before the Drama Club can start a play, they have to pay a royalty fee. This fee is usually around \$100.00. Any student at Santana is encouraged to be in the drama class. There is a beginning class, right up the line to the advanced drama. You do get English credit, and it's fun.

in Action

Promise, Promise . . . GONE

1. Mayor Stages a rally to Alleviate
2. Tom Brady and the Mayor at a
3. A protest
4. Touchdown for the Senator
5. Seal Tug
6. Who's Got the Moon?

This season proved to be heart-breaking for the mighty Sultans. At the beginning of the year the team looked good, with a win against El Cajon, in the Football Carnival, and Escondido, the Avocado League Champions. The season looked bleak from then on, with heavy losses and many injuries. One high point of the year was a win against Helix, for the eighth year in a row.

At the December 8th football banquet, Ward Rickman received Most Valuable Player. Team Captains were Steve St. Clair and Paul Houlihan. Most inspirational went to Paul Houlihan, and the Coaches Award went to Paul Roche.

JV Saves Lagging Season

The JV team had a difficult start last year by winning three out of the last four games they played. The team had the fire & spirit every boy team should have. This helped them overcome their lagging season, and enabled them to win three of their last four games.

Bill Power, Mickey Maloney, and Don McCall, (left) helped the team carry its season through their efforts as managers.

The faithful coaches (picture left) are Ray Scholten and the brilliant head coach Clark Staples. (You can tell Coach Staples is brilliant by the way he put on his jacket.)

Richard Vega won most valuable player despite his arm injuries.

Soldom has a high school team dominated a sport as Santana has girls' gymnastics. In the four years existence of CIF competition, Santana has won the championship each year. Not only has their tournament record been unblemished, but the Sultan girls have never lost a dual meet of any kind. Primary credit for this outstanding program must go to Mary Daniels, the Santana coach.

Returning to this year's team are CIF competitors: (Advanced) Sherrie Rice, Jenny Hale, Angela Gable, and Terry Fletcher; (Intermediate) Candy Kehoe, Aileen Hansen, and Lynne Etcheleou; (Beginning) Becky Davis and Diane Mastrenardi.

Intermediate Gymnastics Shows Style and Power

The Varsity Cross Country team had a good season. The year started off well with practice starting against the tough Cross Country League competitor. Allen Chast was the top Varsity runner. He finished within the top five in nearly all events.

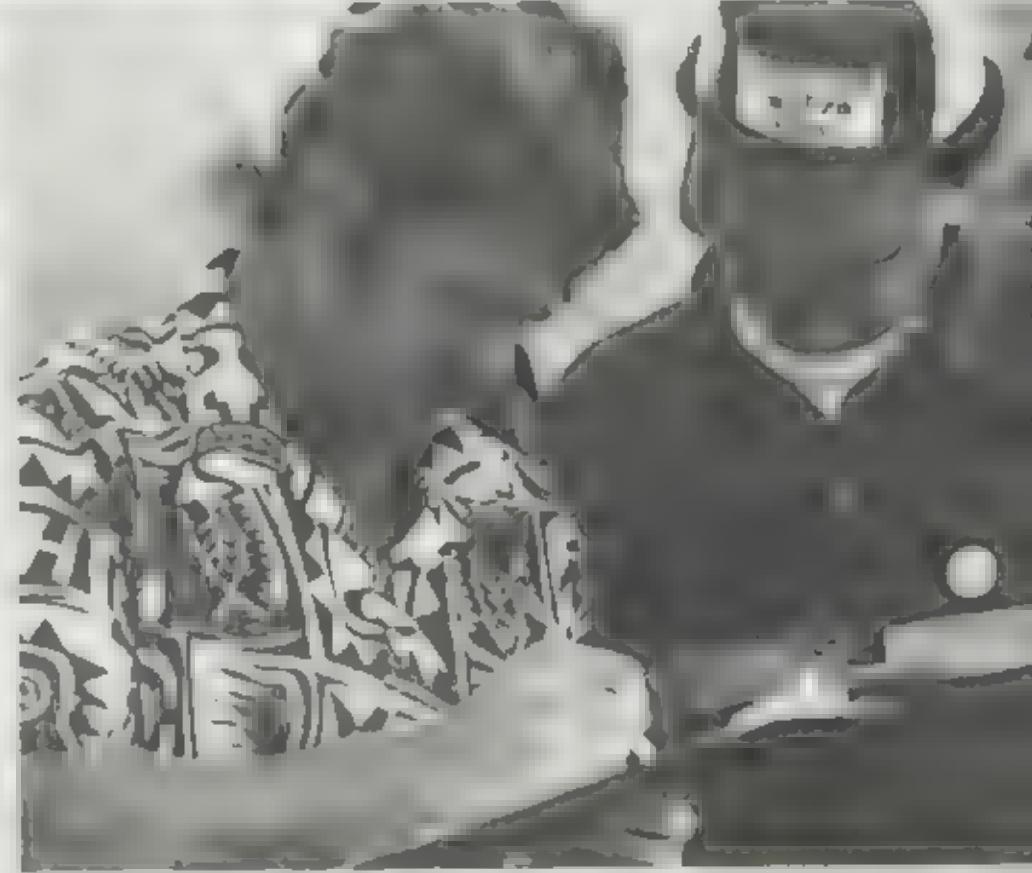

The Varsity carried a tough season with only a few permanent members.

In their season competition, the Fresh Cross Country showed through. In the Mount SAC invitational, they finished third over fourteen schools.

Coach Leon Herzog worked the three teams to build a better competitive team spirit.

A Candid Look at the

Packed to finish 5th in the Grossmont League, the 1975-76 season was like a wonderful dream come true for the Sultans. Tied with Helix for the league lead, the Sultans shot down the Highlanders, 66-55, to advance into the playoffs. Again the Sultans were expected to be eliminated early but in four short days they stunned Patrick Henry, Escondido, Chula Vista, and the tough Kearny, CIF finalists for 3 of the last 4 years. This proved to be too experienced, and the Sultans were eliminated. It had been a long and exciting season and as the team stood before the 6,000 Sports Arena fans there were a few damp eyes but all heads were held high.

THE MAN BEHIND IS OUR COACH BRIAN HORN

Sixty-four year old Brian Horn took over the San Joaquin Valley Vikings two seasons ago. The team was prospering. The recent transfer that made him coach the Vikings from Pleasanton to Modesto was the second to last. Coach Horn came to Modesto from San Diego State University where he was basketball coach there before taking a job at San Jose State. When the Vikings started in 1973-74, he coached for two years as assistant coach. But Horn succeeded as first coach.

Fresh Basketball Stands Tall

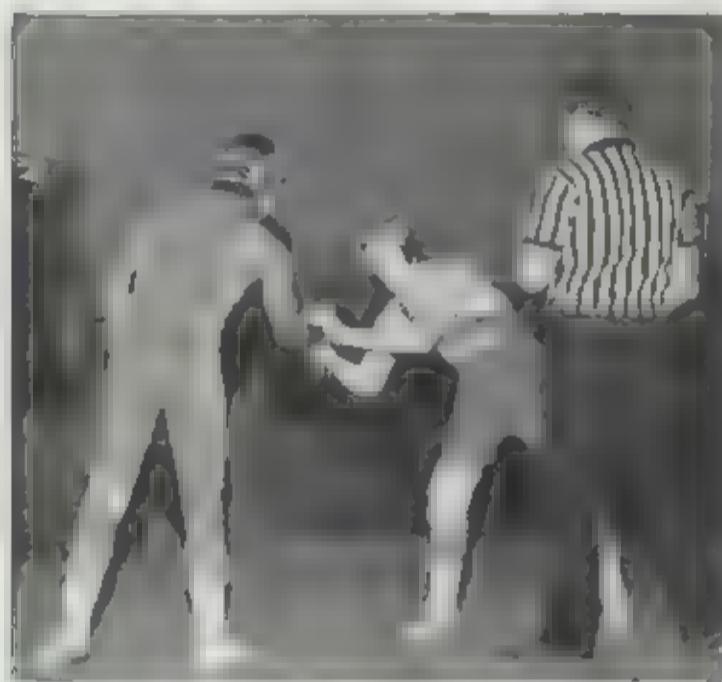

The Freshman Basketball team, led by Coach Bill Bellegard, started the year off strong, winning its first six games. The team includes: Tom Cook, Captain; and Kevin Keppler, Vice Captain. Standing in the back row are: K. E. Ladd & Rick Chavez; in the middle row are: B. G. Jones, B. J. Hargrave, S. M. Johnson, and D. C. Williams; and in the front row are: D. C. Williams, S. M. Johnson, and D. C. Williams.

VARASITY WRESTLING

MORE THAN JUST A BUNCH OF BULLies

...and we all thought you knew more than just about anything. Harry Palmer is a D.A. of course. But Mike McCormick, Maxine, and Ray Remy were R.A.'s. I know the R.A.s. Maxine, Remy, and Palmer. But they're all from Las Vegas or California.

VARSITY TRACK ...

"COMING ON STRONG!"

Track this year was definitely in a building process, especially since we lost three stars through injuries: Larry Howland, Jim Moore, and Merrill Childs. When Coach Fitzpatrick was asked how the team was doing, he replied "Looking at the overall picture of the team, they certainly have great potential. For example, there are many sophomores competing on the varsity team. With the consistent help and guidance of coaches Leon Herzog, Bob Fitzpatrick and assistant Coach Kasischke, track kept up its good reputation through outstanding performances. Track is the team of the future. It has a lot to give."

1 Varsity track A team running from left to right: Matt Hanson, Manu H., Eric Everman, Randy Kirby, David Anderson, Rod Zimmerman, Tom Nash, Jeff Kingery, Tom Harper. Middle row from left to right: Bill Davidson, Tom Nash, Rod Zimmerman, John Blair, Tom Giagni, Tom Syfreh, Mike Knutzon. Bottom row Left to Right: Ralph White, Don Cornelius, Tom Bier, Jim Moore, John Parton, Chuck McAllister, Jim Turner.

RUNNING WITH THE PACK

Diamonds Are a "Softball"

Varsity (dark shirts, left side) Jacque Bush, Paula Edgington, Kathy Firms, Vivana Gonzalez, Valerie Lakey, Ona MacDonald, Laura Muden, Debbie Nelson, Terry Panfil, Lois Ripple, Kathie Sloan, Evelyn Stanley, not shown Loretta Barber. **Junior Varsity** (light shirts, right side) Janis Arnold, Janie Bush, Linda

The '97 girls softball team had a few seniors. The most inspirational varsity player was Paula Edgington. The most improved varsity player was Lori Ripple. For J.V., the most inspirational player was Linda Huys, and the most improved were Lori LaFountain and Janis Arnold. According to Coach Mary

Mary Barnes

Barrie's the season began really strong, though it was apparent they could never pull out of. It was an extremely close season for all the schools. Varsity came in seventh place, and J.V. placed third with fifth.

Share of "Ups and Downs"

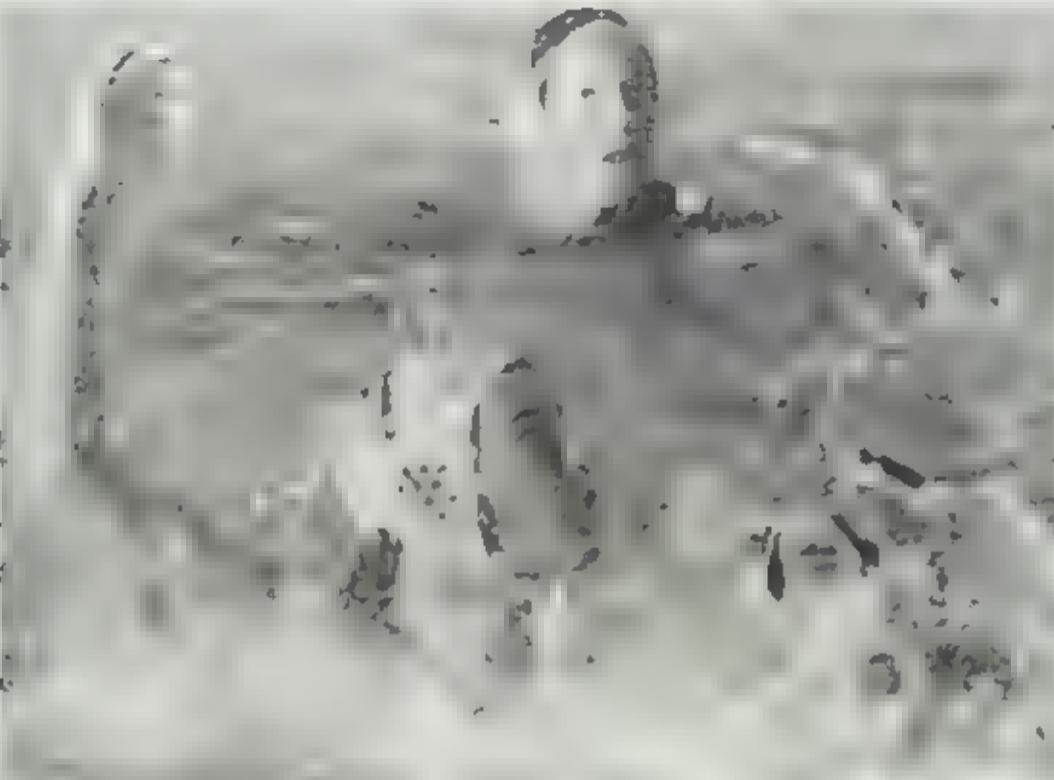

At a recent trial at the Varsity and McRae High schools, Brian and Al DeDio (top) were looking good—both cats. DeDio's mother, who wants to start the school's Winterfest, asked him to practice. Lewis (bottom) was a first-time climber at the new Castle Rock Park, but he has a high standard for his climbs and the most recent one was his best. It took him just 11 minutes to accomplish it today, as the 12-year-old Swiss immigrant's C.G. Hanes plays

Santana	7	Mission Bay

Despite the high expectations of their new coach, Randy Geifer, water polo placed seventh in the Grossmont League. With the efforts of such players as James Krause, who tied for the most goals for one game, and goale Gary Danielson, who broke his own record for the most saves in one year, the tough Grossmont League teams were provided worthy competition by the Santana Water Polo team.

J.V. BASEBALL STEALS TO VICTORY

The J.V. Baseball team started off on the right foot by wiping out Patrick Henry on the road, 10-0. They beat Orange City by one point, 4-3. They beat six, and they cruised Monte Vista, 10-0. According to Coach Hornik, the team was playing well above its ability. The Most Valuable players were Rick Martin and Rick Marks.

TEAM: 1. Bill Newell, 2. Rick Martin, 3. Rick Marks, 4. Leonard Arnold, 5. Don Powell, 6. Mike Williams, 7. Ken Morris, 8. Mike Marks, 9. Rick Hornik, 10. Eddie Dickey, 11. Steve Gandy, 12. Jim Kline, 13. Rick Roush, 14. Tom McConville, 15. Dan Clegg, 16. Marc Butler, 17. Ed Clegg, 18. Jim O'Neil, 19. Jeff Bell, 20. Mike Dill, 21. Dan Burkhardt.

1. Coach Hornik 2. Rick Martin 3. Rick Marks 4. Leonard Arnold 5. Don Powell

FROSH BASEBALL BATTLES THROUGH TOUGH SEASON

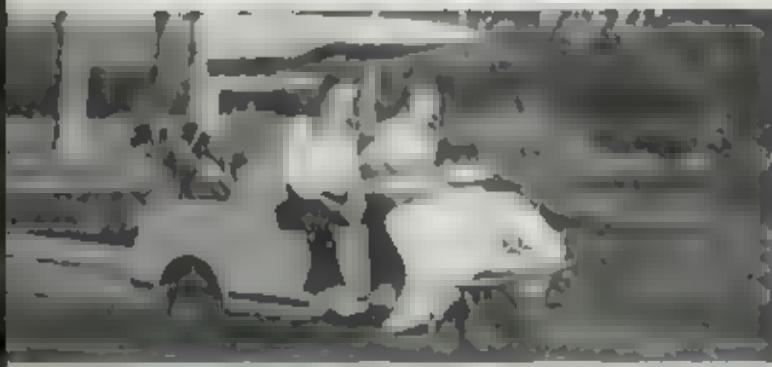

These Frosh Baseball Players can consider themselves lucky to have gotten this first year of high school baseball in. At the time of publications, the School Board was seriously considering dropping freshman baseball all together. The team was coached by Santana Alumni, Mike Saska. Coach Saska indicated that by their hard work in practice and their performance on the field in early games prospects for the team were excellent. The ambition of all frosh players is to someday star for the varsity. Early indications were that several of perhaps Santana's last frosh team, would do just that.

GEIFER'S GUPPIES EXPERIENCE

JAWS OF GROSSMONT LEAGUE

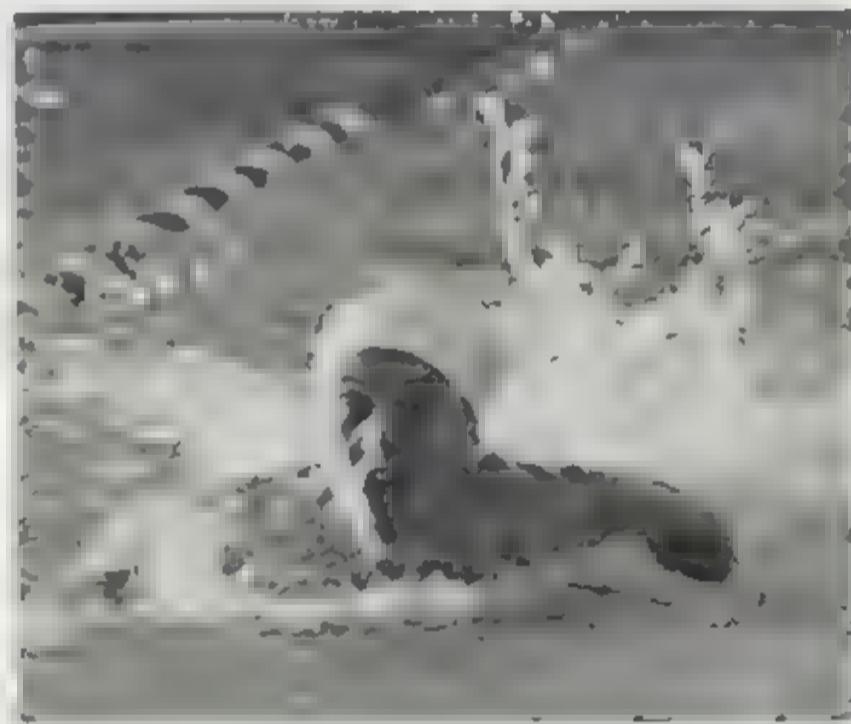

Aggressive Coach Ray Carter didn't hesitate about his swim team prospects. The team, led by CHI Lampert (left), was obviously experienced. Much hard work and dedication was taken to defeat the Salters over the past ten minutes.

1 Row - left to right: Becky Serrato, Cindy Grannis, Cecilia Musk, Betsy Womack, Laura Bloom, Melanie McGrath, Maria Mazzatorta, Marissa Smith, Vicki Shaeffer, Shelly Bray, Stefanie Hope, Sue Naylor, Pat Justice, from left: Cindy Mays, Sarah Clawtor, Vicki Gandy, Jennifer Hale, Emily Staines, Row 2 left to right: Kim Kitchen, Lisa Zink, Roberta Rasmussen, Debbie Seppala, Diana Kerner, Jackie Luttrell, Kim Romeo, Kelly Reevs, Gina Harrel, Lisa Ringer, Beth Mays, Laura Johnson, from left to right: Linda Northgate, Karen Mays, Bernadette Kozlowski, Debbie Cook
2 Coach: Escar and assistant coach: Jan Meyer
3 Jackie Gandy
4 Kim Kitchen

to Best Season

The Girls' Swim team has improved tremendously during this year's season. The problem with the team was they lacked depth. Although the team contains many award winning swimmers, the size of the team hurt in league competition. With the ambition to win, the team overcame many handicaps on the way to a good season.

Ms. Florence Esgate served as coach for the squad.

- 1 Jennie Hale smiles after a successful race
 - 2 Evelyn Stanley completes a graceful backstroke
 - 3 [redacted] vs. K. B. [redacted]
 - 4 Jackie Cardinal races to the fast pace of the butterfly
 - 5 Laura Bleeth comes up for air while doing the breaststroke

Volleyball Surfs

This year Miss Climie's volleyball team did exceptionally well considering the competition in the district. They practiced hard, but injuries prevented their chance for a winning season. The season ended with a sports banquet at which the following girls received these awards: "A" team Most Valuable Player: Sue Cope Most Improved Player; Dar Mathie "B" team Most Valuable Player: Valerie Lakey. Most Improved: Kelly Quinn. "C" team, Most Improved: Lisa Johnson.

1. "A" team left to right: Linda Fuller, Nadine Swan, Karen Thorberg, Christy Hansen, Darlene Mathie, Sue Cope, Deb Spees, Paula Engington, Alison Goodman, Vicki Ramey
2. "B" team left to right: Linda Earhart, Kathy Hamilton, Kelly Quinn, Debbie Dunn, Sue McDowell, Lori Chapman, Valerie Lakey, Rhonda Cox, Doss Price, Teresa Siekken, Charlotte Downs, Mona Olson

COUNSELORS LIGHT

S. SHERRELL.
PES-SPE-1

Left Page.

1. Barbara Spaulding has been counseling for five years at Santana and three years at Purdue Univ. She has also taught at various schools including colleges. She's one of the few PHD's we have at our school. "I have loved all my jobs but have never been happier than I am now at Santana. The people are all so terrific."

2. Eleanor Sherrell once worked for Neighborhood Youth Corps as a school coordinator. She attended UCLA and the University of Hawaii. Now she has an M. Ed degree. She enjoys camping and sewing. She often says "I like my work."

3. William Donmeyer's hobbies are gardening, traveling and reading. In the past, he has been A.S.B. advisor, English teacher, Reading, Drama, and Speech teacher. He attended S.D. State for almost 4 years where he received his M.S. counseling degree. He has now been counseling for over five years.

Right Page

1. Barbara McCluskey attended Eastern Michigan Univ. where she received her Masters Degree. She enjoys golf, bridge, and eating out. She has taught English and Sociology. This is her sixth year counseling at Santana.

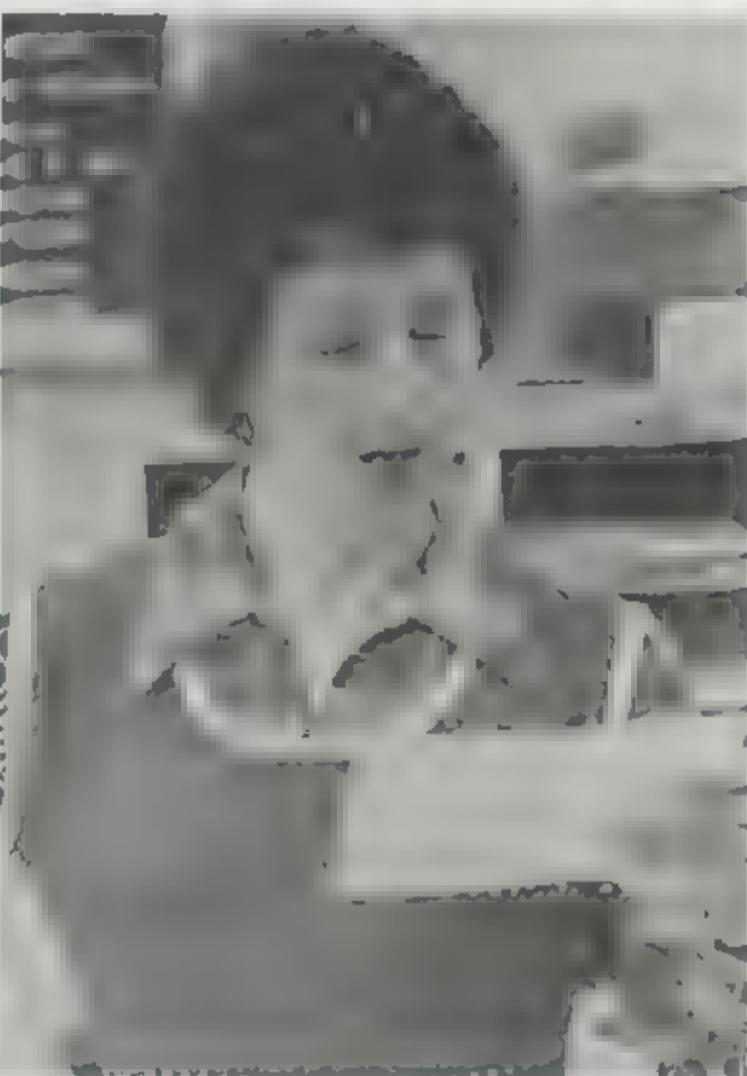

2. Don Newcom enjoys doing things with his family. He taught adult school and coached at Granite Hills for 10 years. He attended U.S.I.U., Cal Western Univ. and Univ. of Calif. He plans on getting married April '76. He excitedly said, "I'm really looking forward to it."

3. Louis Pollock is a new addition to our counseling staff this year. He's taught English for eight years here however. He was also A.S.B. advisor. He's interested in playing the guitar and several sports. He attended S.D. State for almost eight years and has a Master of Arts in English and a Master of Science in counseling.

4. Sally Cochenour taught for eleven years and has been counseling for eight years. She received her Masters degree at S.D. State Univ., and has also attended Indiana State Univ. plus the Univ. of Penn. She enjoys cooking and swimming but her main interest is her family and profession.

Vo-Tech Develops Career Insights

A Techwood High vocational shop class recently completed its first year of operation. The students were exposed to a variety of vocational areas, including auto mechanics, welding, drafting, electrical power, heating and air conditioning, construction, food service, mechanics, and electronics. Left to right: Walter Calbertson, Carroll S. Jones, Dr. Lobb, Alie Lewis, Jim H. Averitt, Dorothy John, Owens, Duke Bigrell, Doris Quatrocchi, Frank Park, and Casper Borhest. Not shown, but also being Frank Morris.

Future vocationals are: Jerry L. Brown, Dr. Pease, Carroll S. Jones, Dr. Lobb, Dr. W. C. Averitt, Jim H. Averitt, Dorothy John, Owes, Duke Bigrell, Doris Quatrocchi, Frank Park, Casper Borhest, and Casper Morris. Professor George York.

WHAT DO SUNSET STUDENTS SAY ABOUT COURSES?

Art Student says: It's a beaut! I'm learning a lot about art.

Business student says: Typing is one thing you can be sure you will need and always.

English student says: English can be frustrating—especially when it proves how much you haven't learned.

Home Economic student says: I can now express myself through the use of material and thread.

Math student says: Math is a language that can open minds. It forms a bridge between people of different cultures. The more you know about languages, the better you are able to learn about and make friends with people from other lands.

Math student says: In a way, math is like a language. It's a language of gray. It's a subject where you finally discover that you KNOW.

Music student says: I found that what makes me satisfied and happy is creating my own music.

Physical Education student: Physical education is where you can scream as loud as you want.

Science student: This is the best class ever! What's the best part? Chemistry teaches me lots of interesting stuff.

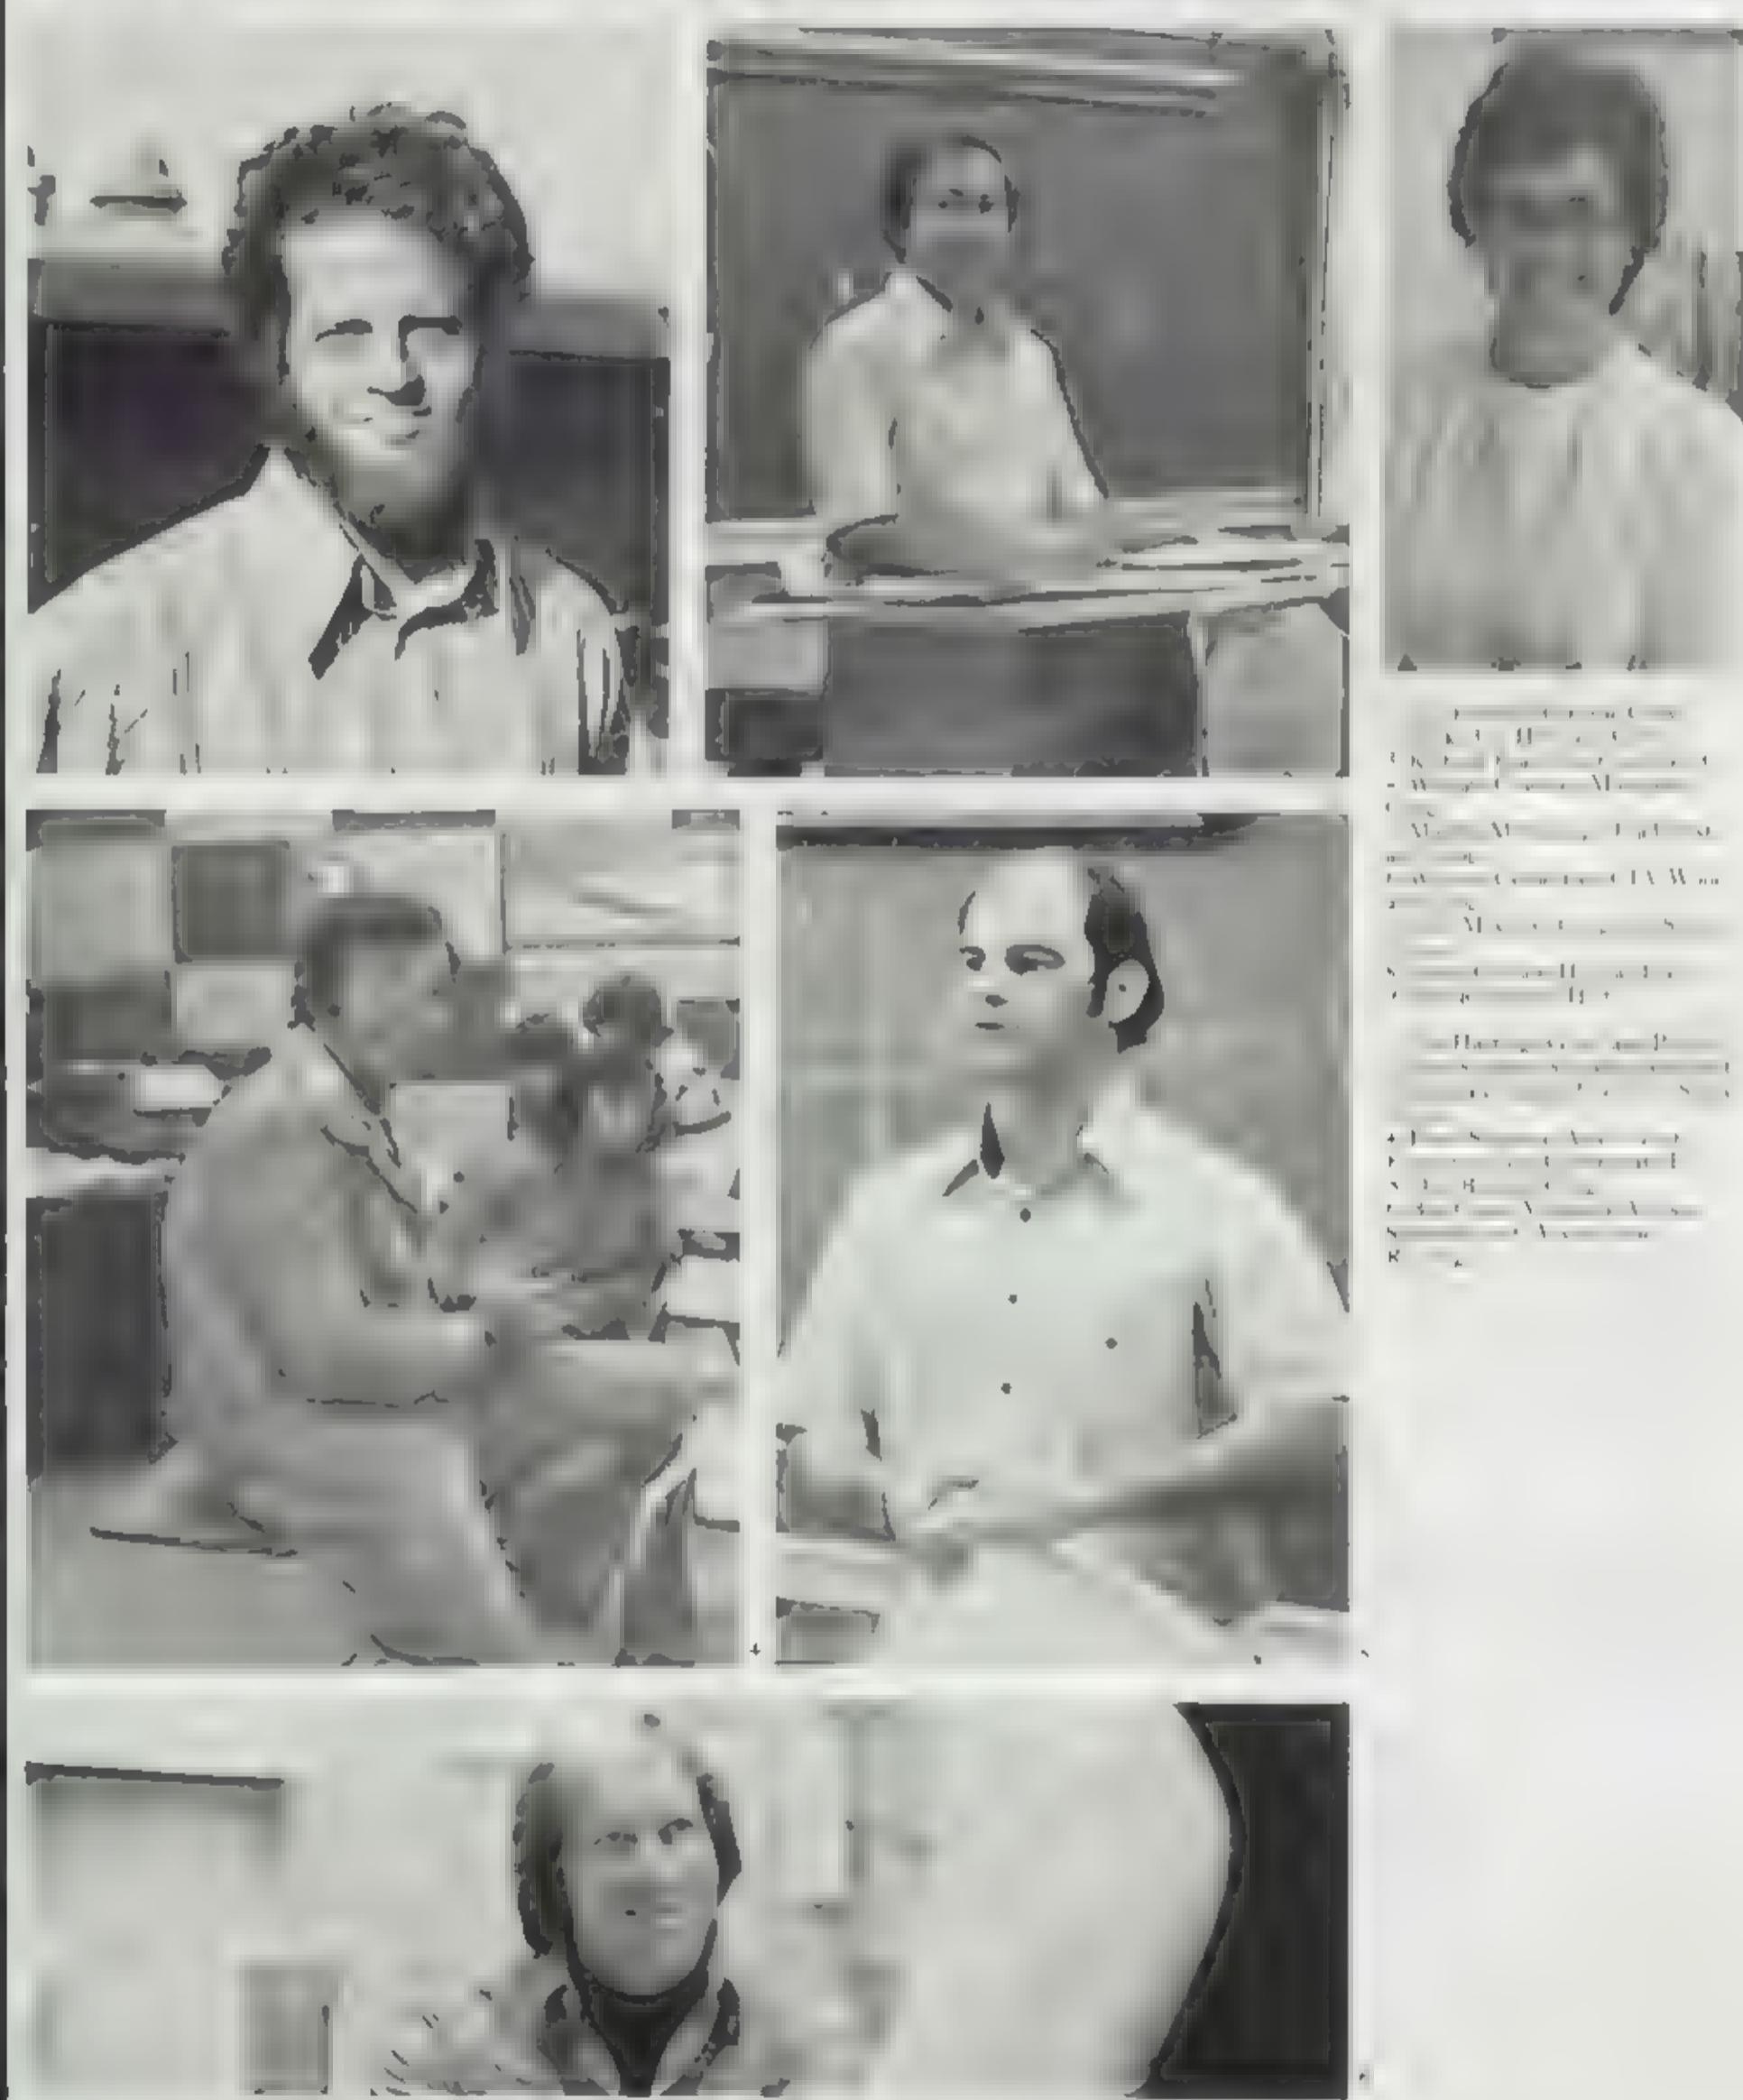

Science student: I like science because it's fun and it's interesting. You can ask questions? Chemistry teaches me lots of interesting stuff.

Science student: I like science because it's fun and it's interesting. You can ask questions? Chemistry teaches me lots of interesting stuff.

MATH TEACHERS Are "GREAT ADDITION" To FACULTY

There were no new startling discoveries in the math dept. Two plus two still equals five, or is it four? Fortunately math students can forget their arithmetic as long as they understand the theory behind it. In the apparently unshakable world of geometry, dept. head Ed Noble continued to inform students that $a+b \geq c$, and Mr. Ken Rogers couldn't deny that $\pi e^{\sqrt{2}} \approx \pi$. Meanwhile, in the quadratic world of algebra, Mr. Hare was studying his P over Q's with Mr. Lefever, Ms. Rogers, and Mr. Corren were helping out supersmart, highly intelligent Algebra 11C students overcome the hardships of everyday calculus.

1 Mr. Tom Corren
2 Mr. Ken Noble
3 Mr. David Lefever
4 Mr. Tom Corren
5 Mr. David Lefever
6 Ms. Karen Rogers

WAY TO THE RESCUE

SPECIALISTS Create Calm Atmosphere

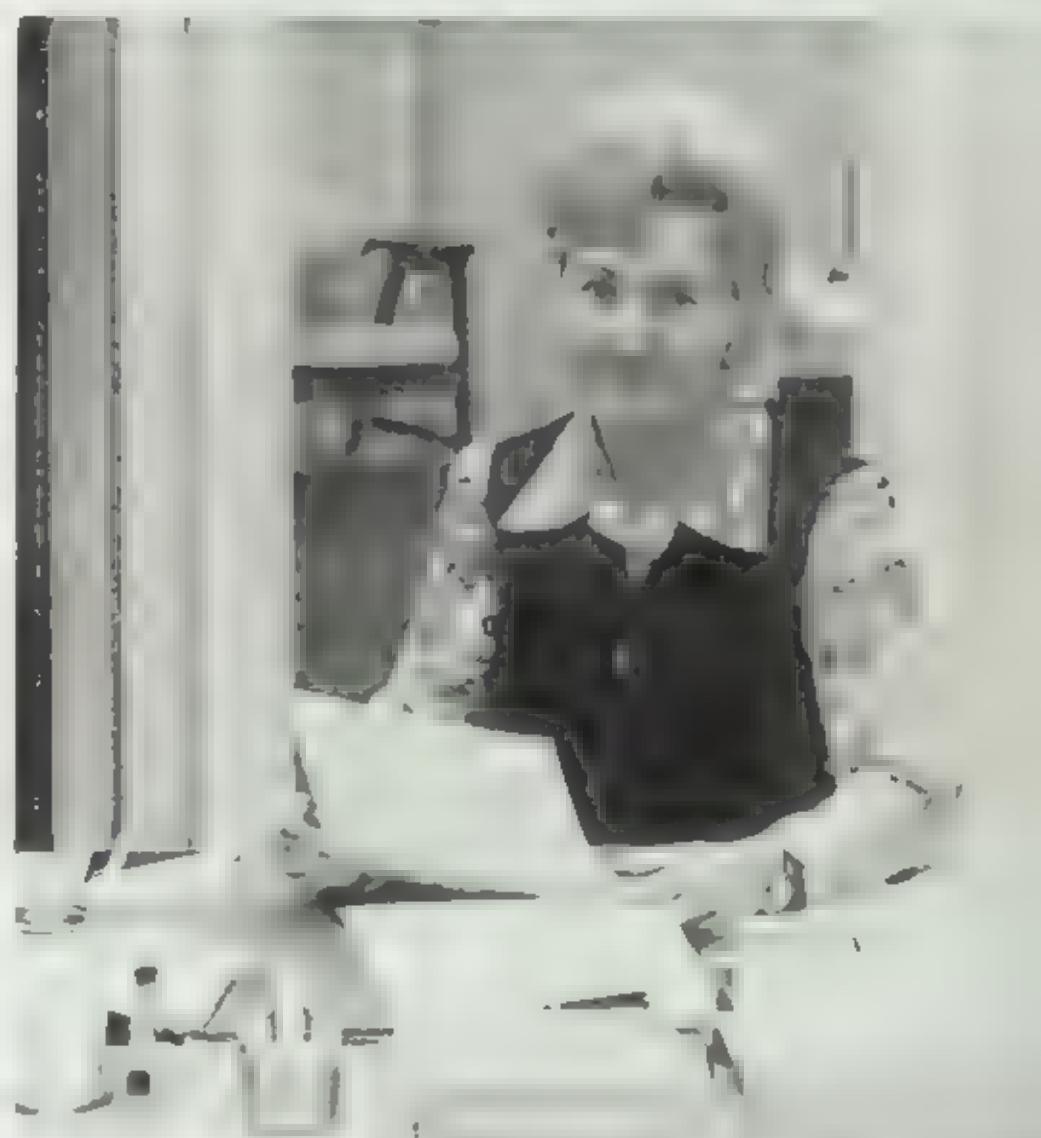

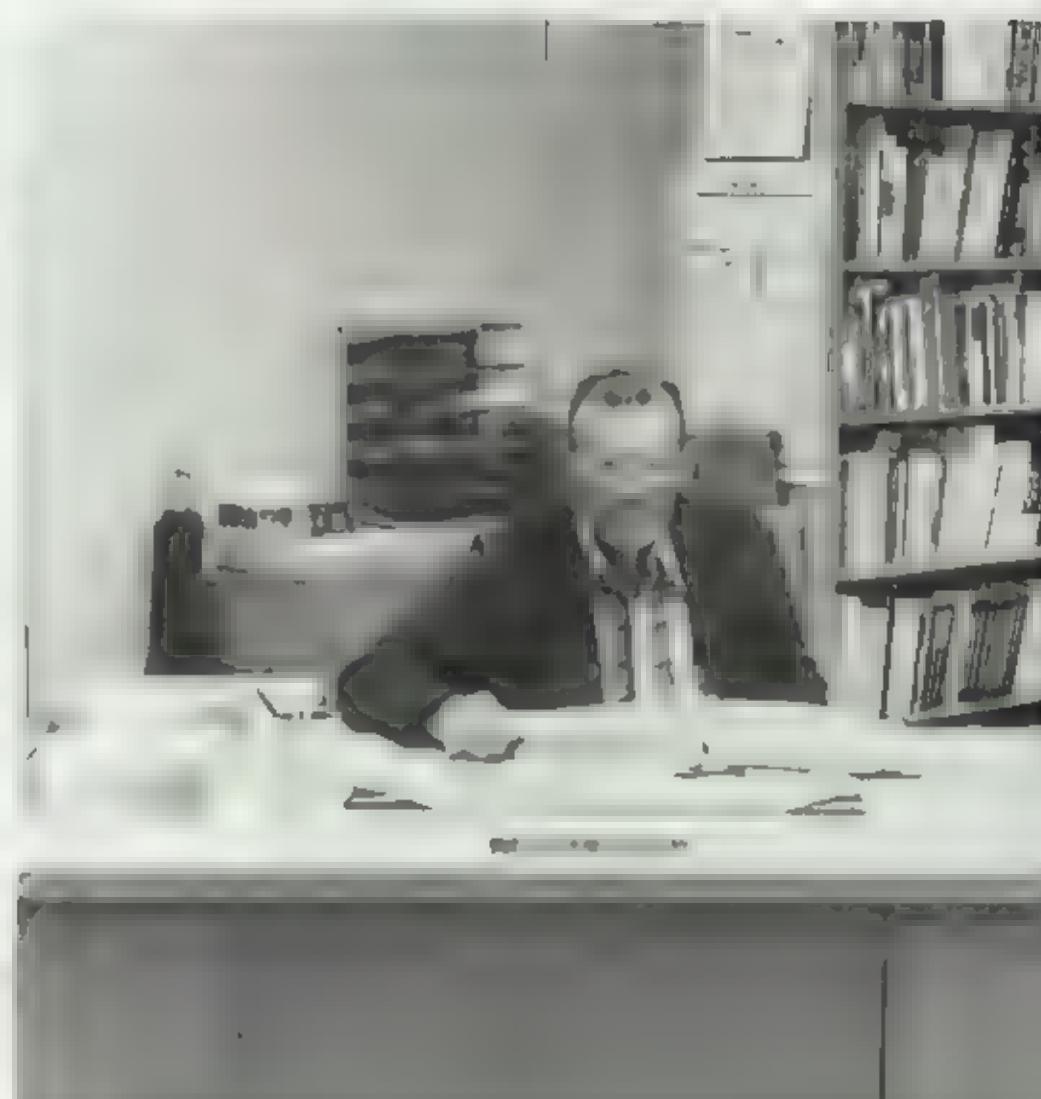

Barbara G. —— 1. Librarian
2. Sewell D. —— 2. Librarian
3. Betty R. —— 3. Librarian

Santana's Career Center was equipped to enable students to choose their careers by means of filmstrips, cassette recordings, pamphlets, directories, catalogues, testing materials, military information, recruiters, outside businessmen, college and vocational representatives. You'll be sure to "find yourself" with this and much more information available. Students are being offered the opportunity to experiment with careers

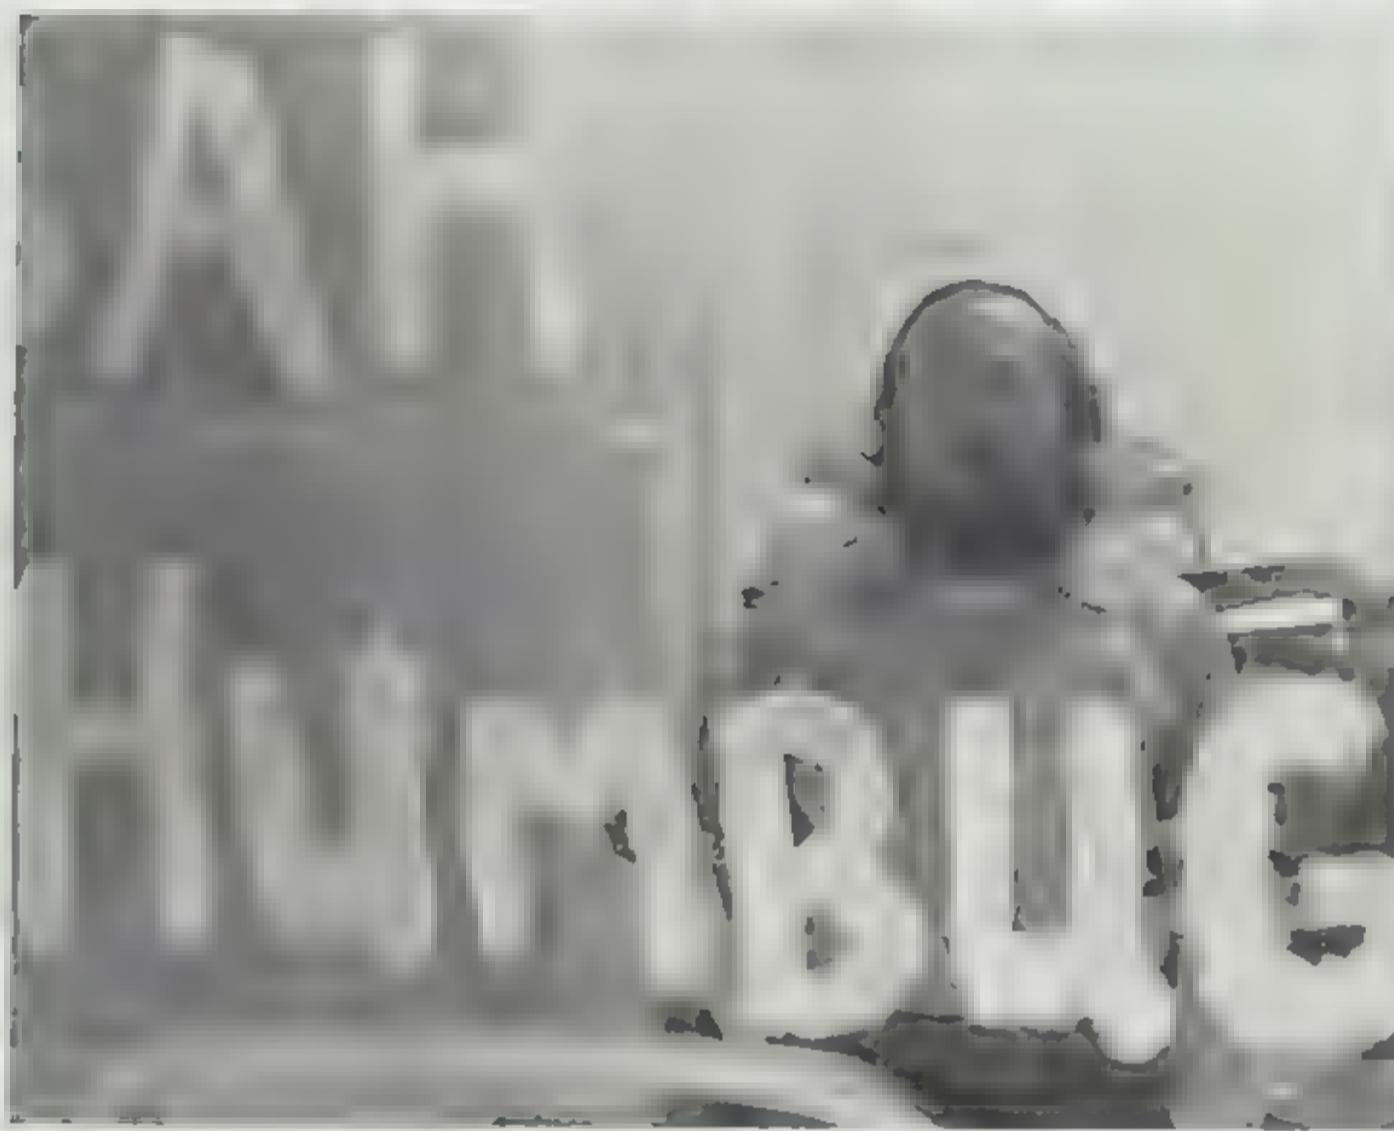

Exploratory Career Development the program in which "on the job observation" is achieved.

Expanded beyond the traditional library concept, Santana's library has undergone great changes this year. Not only modern remodeling and new carpeting and painting, but the Media Center was an exciting addition to our multi-use library. Filmstrips, kits (Media), microfilm, motion picturefilm, records, story collections, cassette and reel to reel tapes, slides, and a wide range of reading from fiction to crafts. There are approximately 30 student assistants working in the library and 15 in the Media Center with Jeff Edgley as head assistant. This is a great learning experience. There are 14 carrels, 15,000 books, and 120 magazines and newspapers all at your fingertips just for the asking or simply for the looking! So come on in and discover there's something for everyone!

The BOMBER is THE DYNAMITE of the sky. The BOMBER is 1776. Just as you have seen by now, so do the many. The Old, unscrupulous, un-Sisters, are resentful they have been out years. Everywhere, we see year they see constant reminders of the BOMBER.

The theme was a black and white, royal blue. Most of it was good, but there was one that was drawn out, it covered One-half of the stage, it was the BOMBER. It was a very tall waist, 180 Dollars, when it made its stop at Miramar Naval Air Station during the month of January. The BOMBER is a very tall, however, I expected to stay in

Bicentennial With...

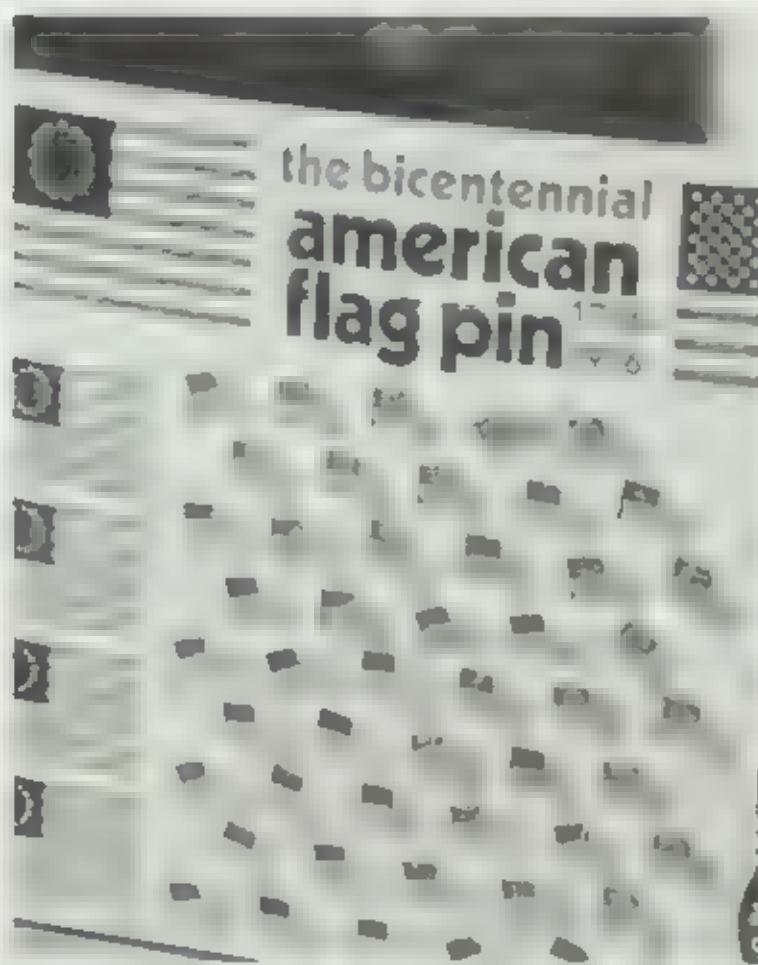

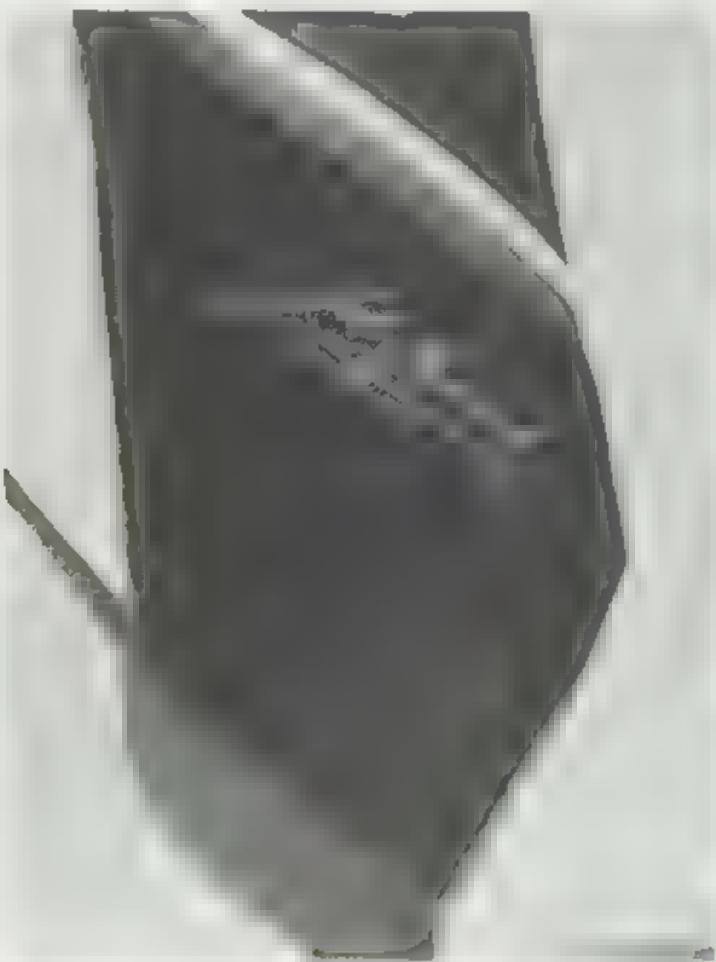

In the evening Mary and the dog are sold to many Americans who think the Smiths might be part of it. Most of the stores had Bicentennial Specials which showed the country off to the whole world. The Bicentennial is not so over commercialized that it is seen as a bad idea after all; rather it is the government that is to blame. George Carter, a spokesman for the Bicentennial Commission, says that the Bicentennial is not just about the Washington Monument. It is about Bicentennial People, the powers that be, all the problems that can be heard and seen throughout the country.

According to a study of the Bicentennial by the National Council of the Bicentennial, all age groups from 18 to 64 are interested in the Bicentennial. Most of the stores had Bicentennial Specials which showed the country off to the whole world. The Bicentennial is not so over commercialized that it is seen as a bad idea after all; rather it is the government that is to blame. George Carter, a spokesman for the Bicentennial Commission, says that the Bicentennial is not just about the Washington Monument. It is about Bicentennial People, the powers that be, all the problems that can be heard and seen throughout the country.

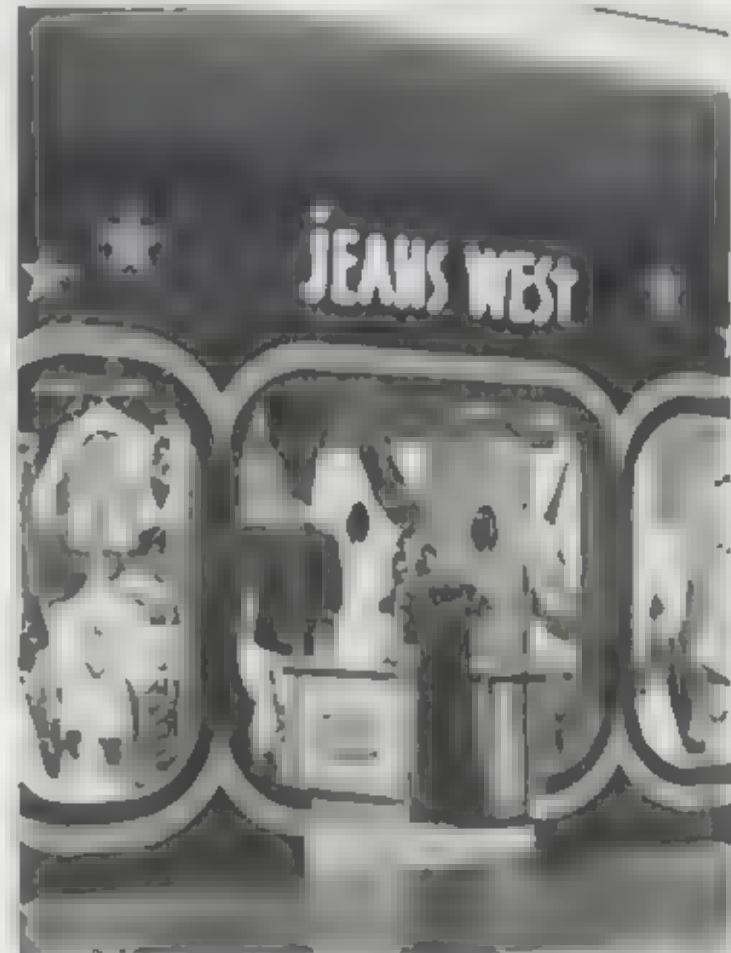

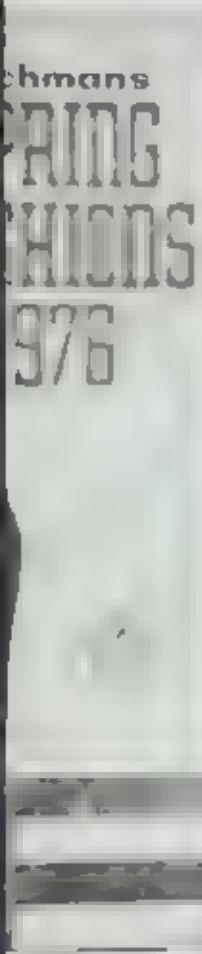

Enthusiasm, Patriotism

On one side of the vase is a white starburst. And the power of young 200 years ago to free Washington, save the infant nation from slavery, and to hear of the places that say "George Washington's birthplace." We see people thinking about the future of the entire country. There was also Paul Revere in "The British Are Coming," the Boston Tea Party, the Declaration of Independence, the Revolution, and finally the Constitution, which has been altered somewhat since then. Everybody's Peter was like the 4th of July. They were instigators of the "All American" way of life, like apple pie based. They always had the Chevrolet. Harvard was always there with other works of some kind or another. Everybody looked like a

and Commercialism

commercial York. It had been seen.

We spent a month in Boston, the brightest American city, the steel P. de Luxe port of entry to the American West, where Weat at the end of his wits has shaped America for the last two years. It is no place to practice the Art that was once a specialty of ours, so I stayed in the American West, where the lesson of life comes in fast, and the suggestion is very faint.

I am interested in attending a class reunion

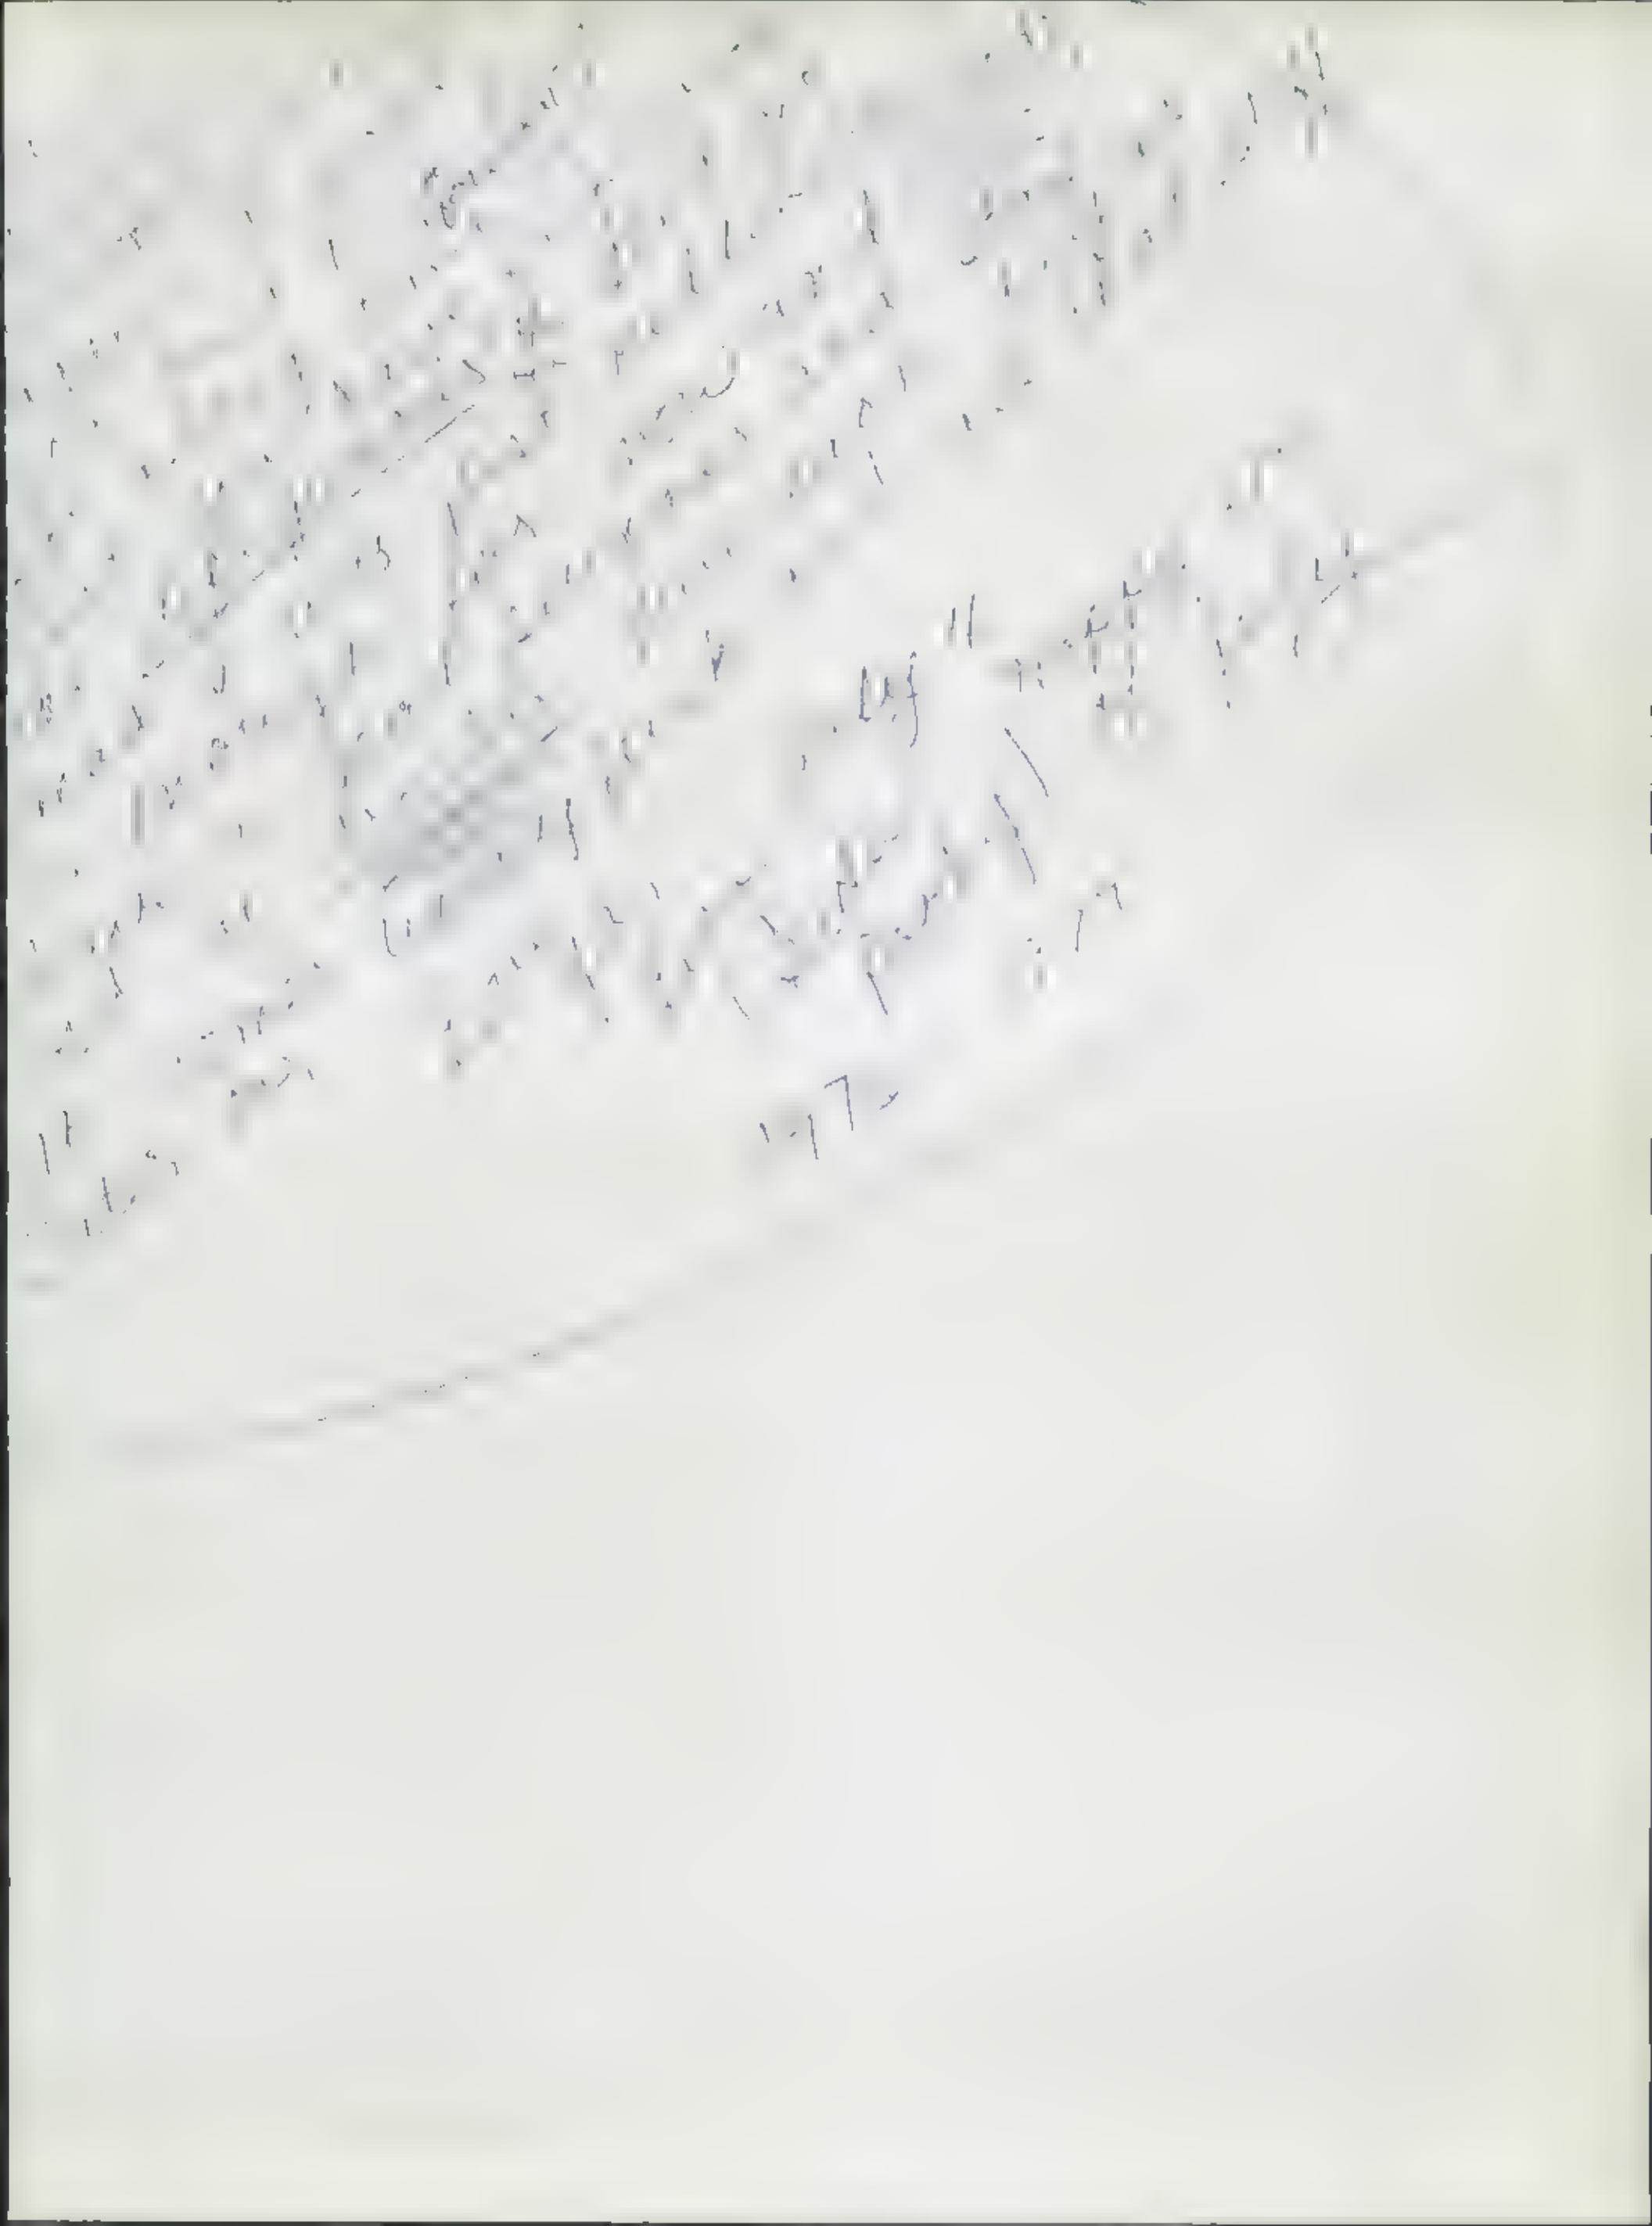

P.S. Well I have to say and tell you how much I really do care and love you it is very hard to sum up in words what my heart is trying to say, but I will give you my best try. We have barely started down the road of happiness but all I see right now is the road coming closer and closer and when we finally reach it, we will be in the garden of joy and happiness forever and ever. Remember love is a combination of many things, Happiness, sadness, fear and even hate if ever you have these feelings while we are together or apart please always remember that it is all apart of love. Please remember also that when ever you need me that "I'll Be There" and you will always make ~~feel~~ branch new. All my love forever

Yours
Rick

the first time I have seen it
in the field. It is a small
shrub with many small
leaves. The flowers are
yellow and the fruit is
red. It is found in
the mountains of the
Andes. It is called
"Araucaria" by the
Indians. It is a
beautiful tree.
